CHAPTER 1

Mark's New Home

This was Mark's home. It had tall trees by it.

Mark is going to a new home with his mother and dad.

Look! There is Mark's new home—Mars, the Red Planet.

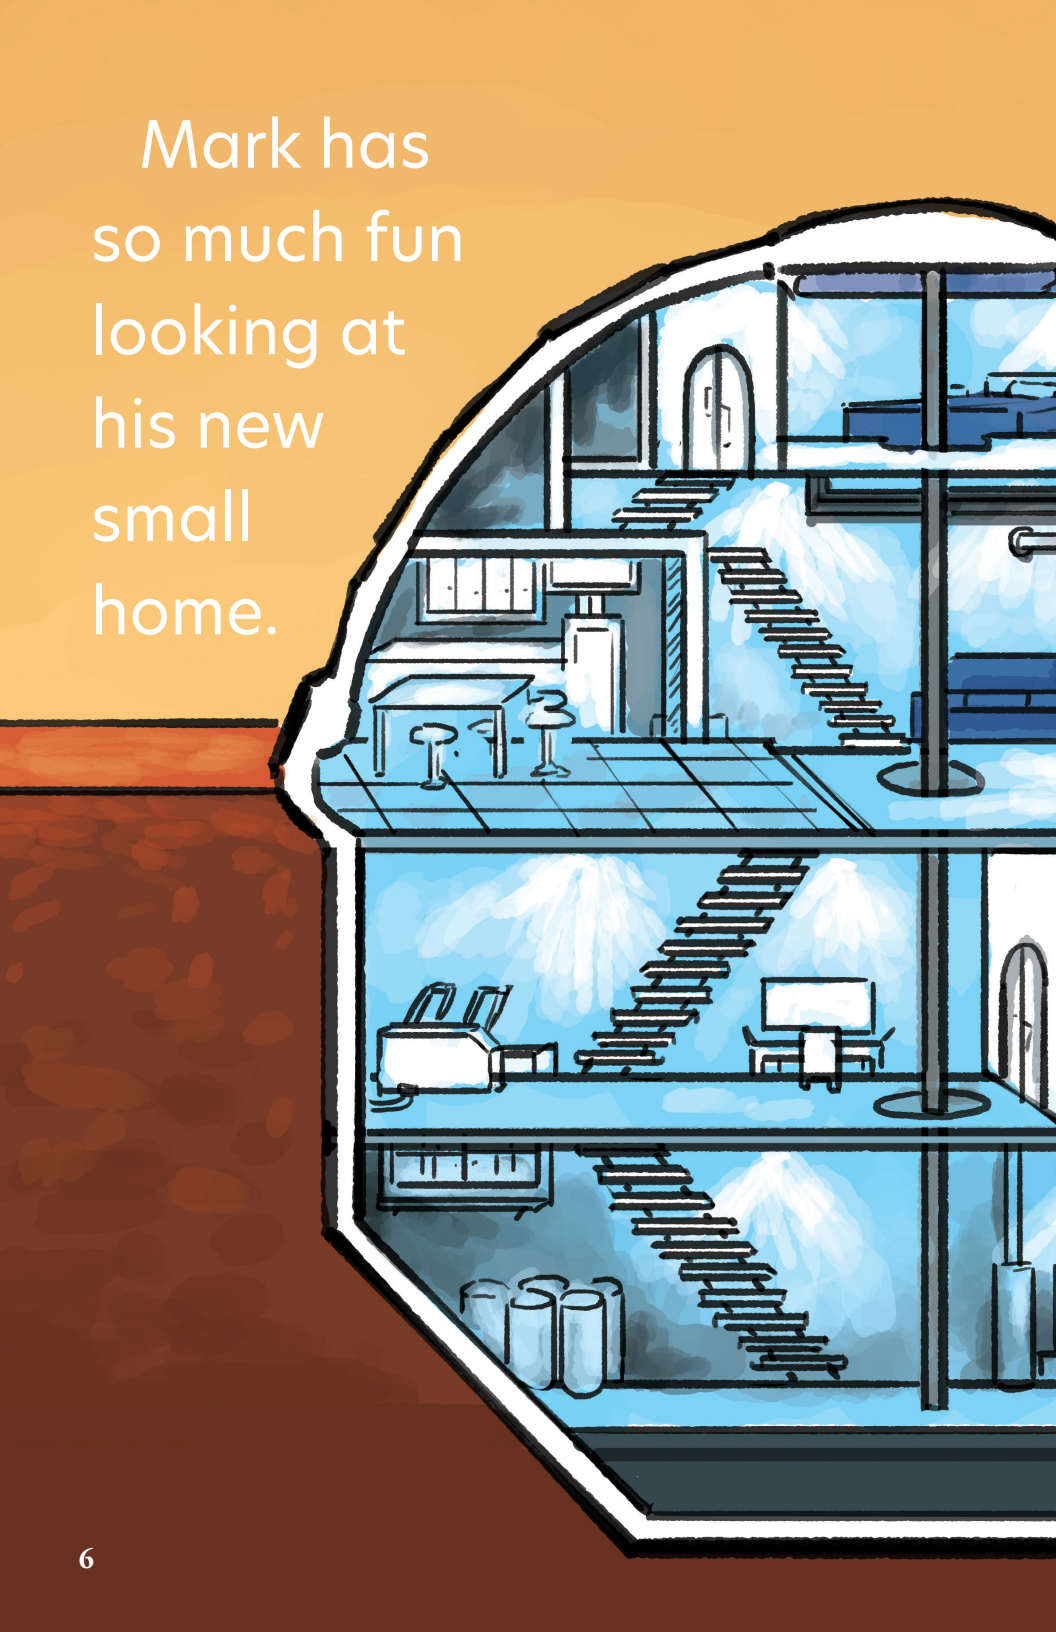

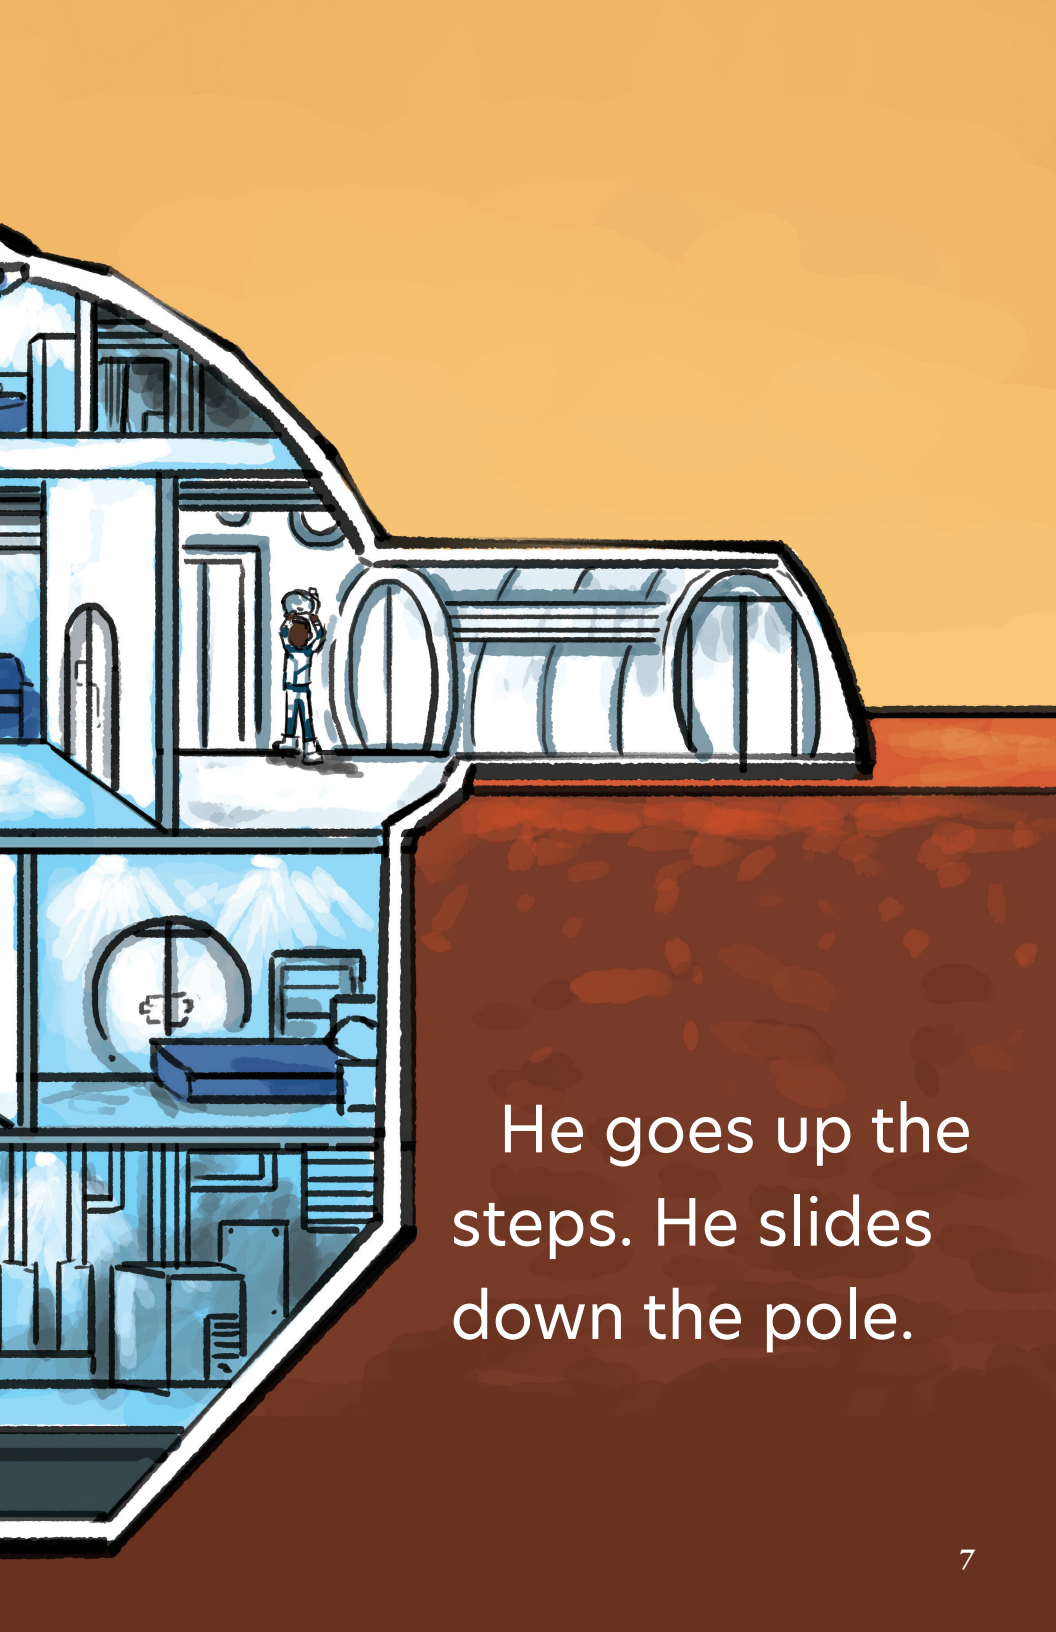

Mark's new home is a dome. Do you like it?

It has no trees by it, but it has a ton of red sand.

Mark has so much fun looking at his new small home.

He goes up the steps. He slides down the pole.

Mark sleeps here. His bed is soft and snug.

He stares at the stars in the black, black sky.

Mark and his family have left Earth and moved to Mars! Everything is new and exciting. Join Mark as he explores his home and learns all about the Red Planet.
