INSTRUCTIONS

MATERIALS NEEDED:

- Standard #2 pencil, sharpened
- Kneaded eraser
- Sketch paper

INSTRUCTIONS:

Depending on the shape of the box around the image you are going to draw (square or rectangle), draw a large square or rectangle on your sketch paper. This will help you scale your image appropriately. Then, draw the images as shown in each step, taking care to press your pencil lightly on the paper as you will need to erase certain elements as you progress through the steps of the project.
