MARINE BIOLOGY

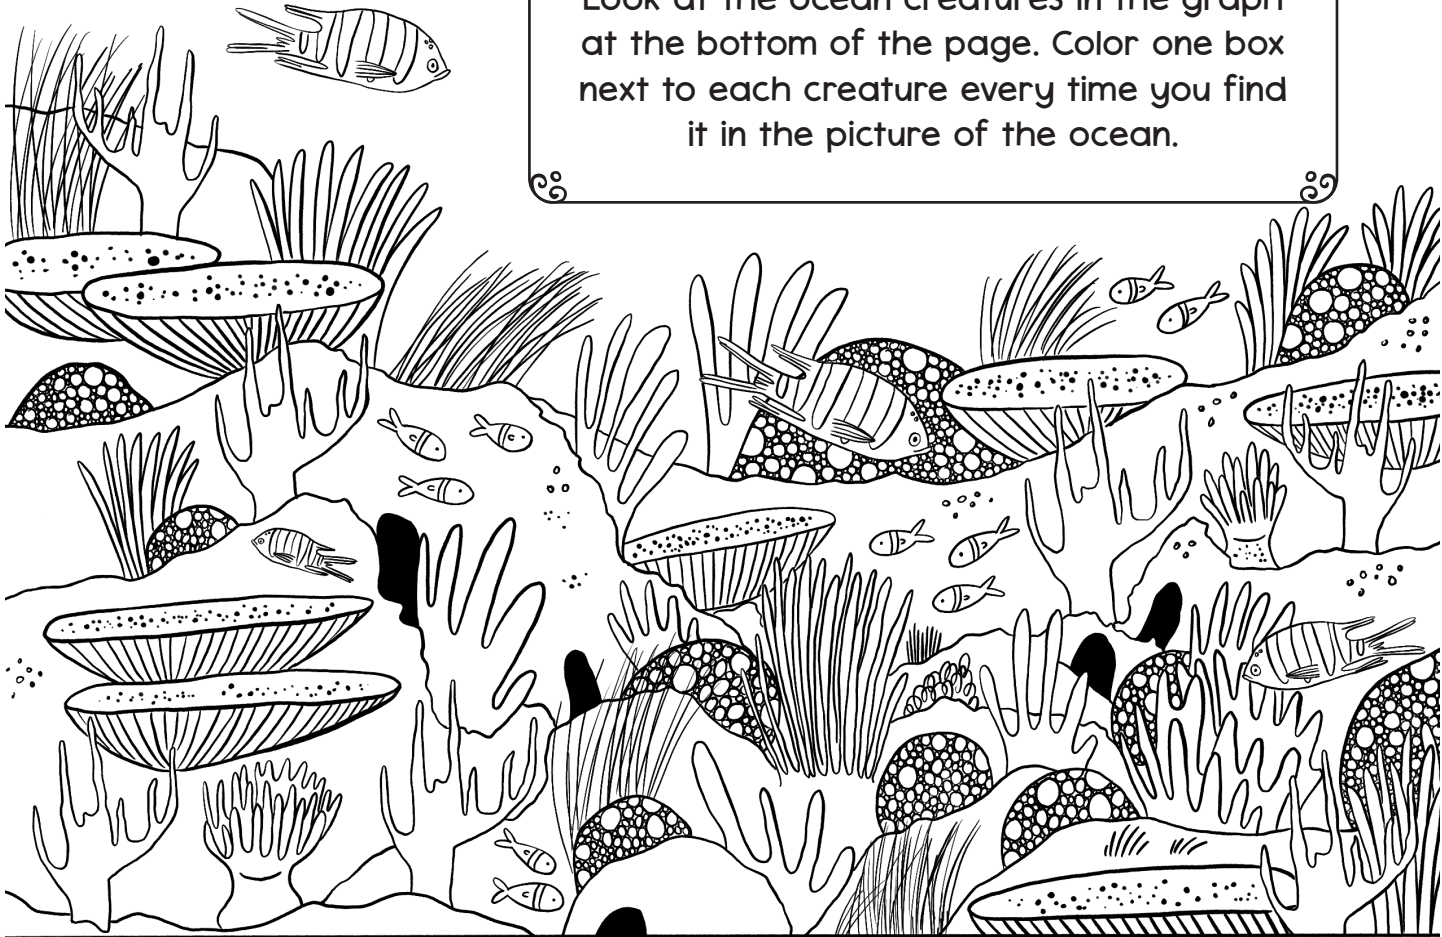

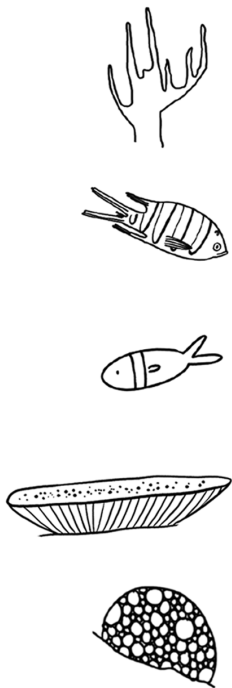

The Good AND THE Beautiful
CURRICULUM

Lesson 1

For each row, circle and color the fish that match the fish at the beginning of the row.

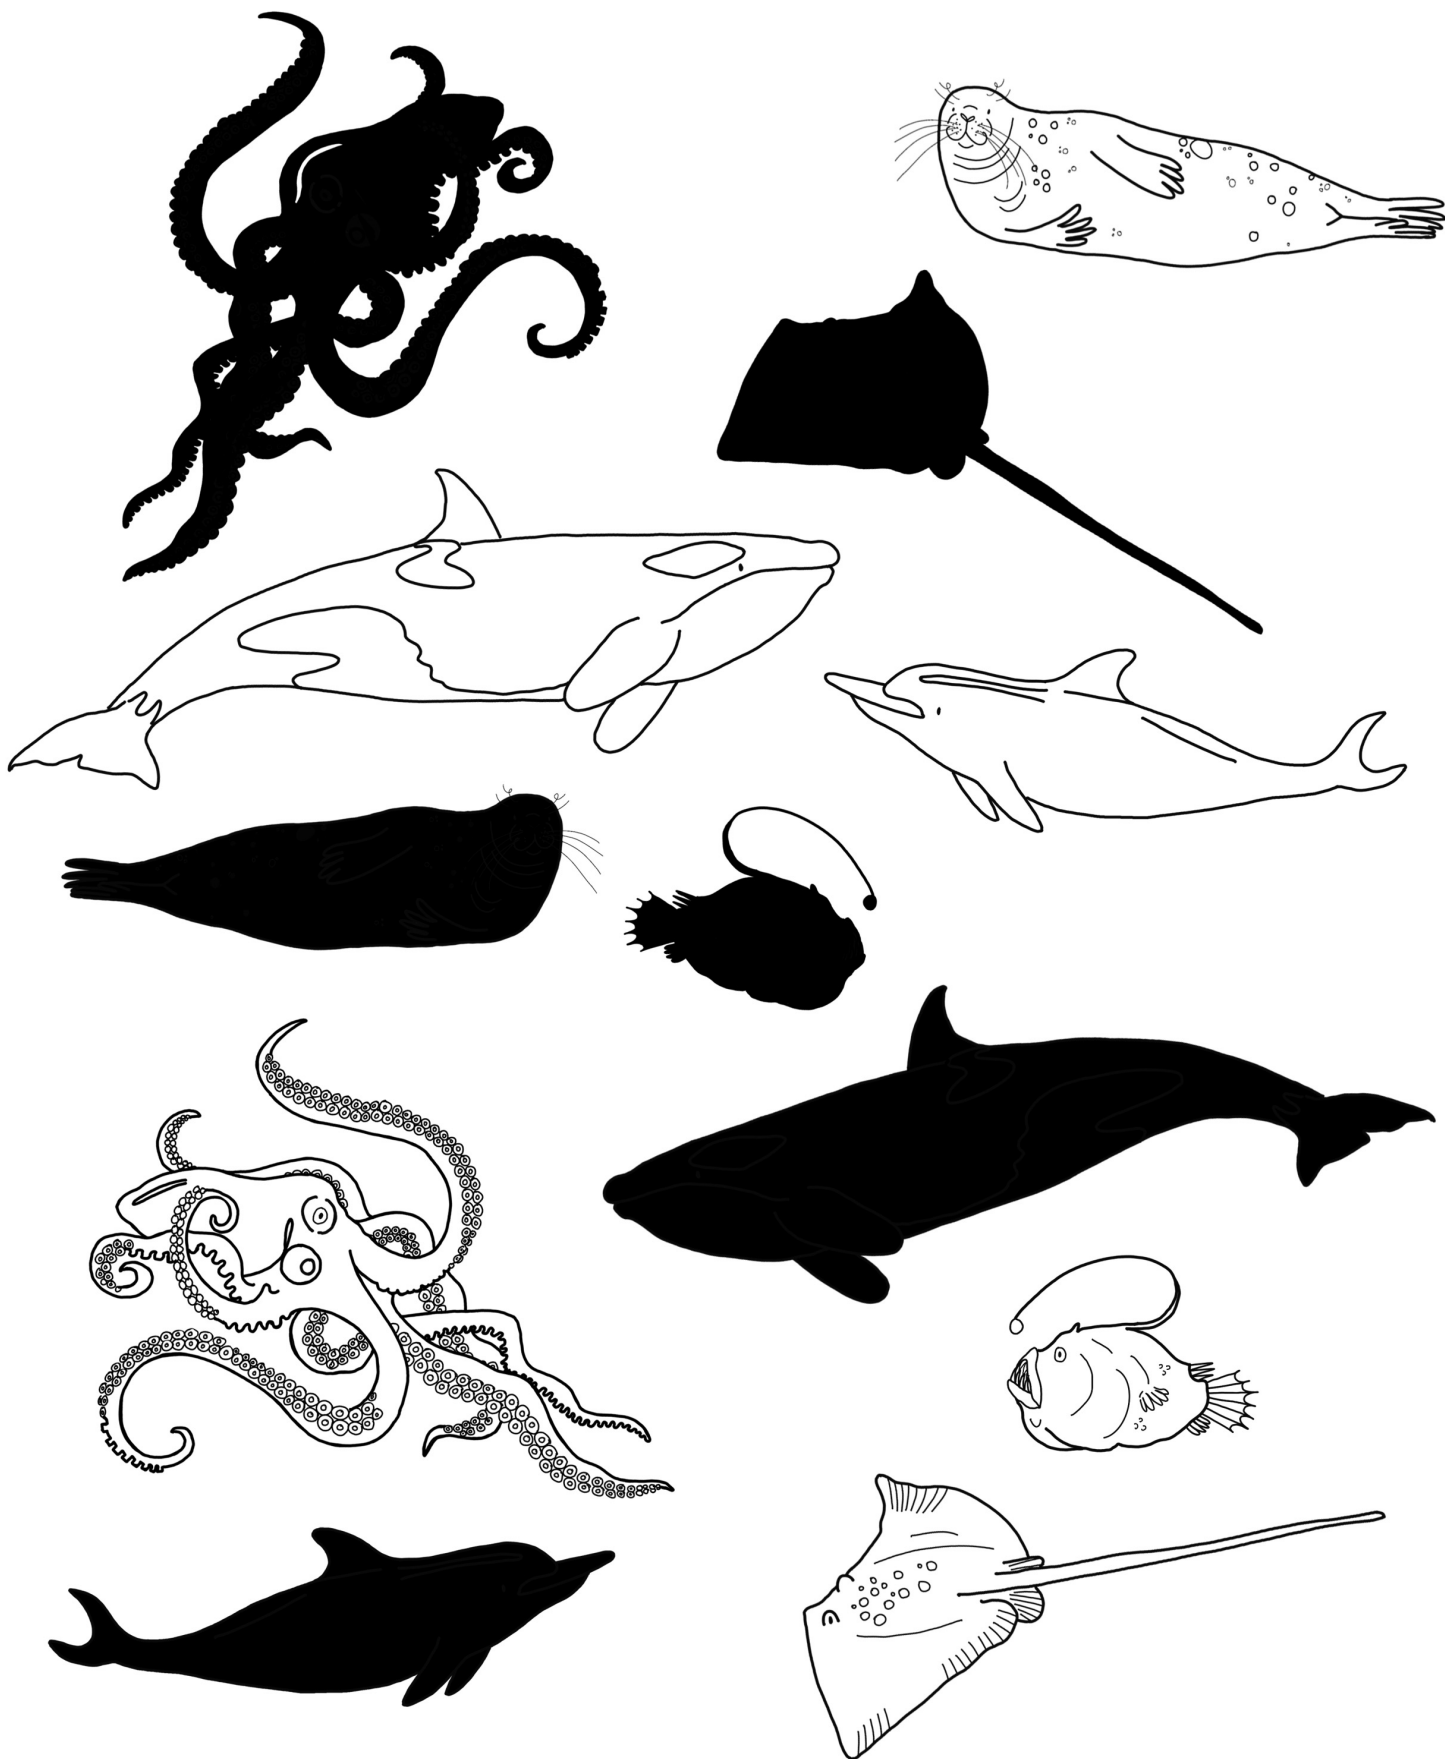

Look at the ocean creatures in the graph at the bottom of the page. Color one box next to each creature every time you find it in the picture of the ocean.

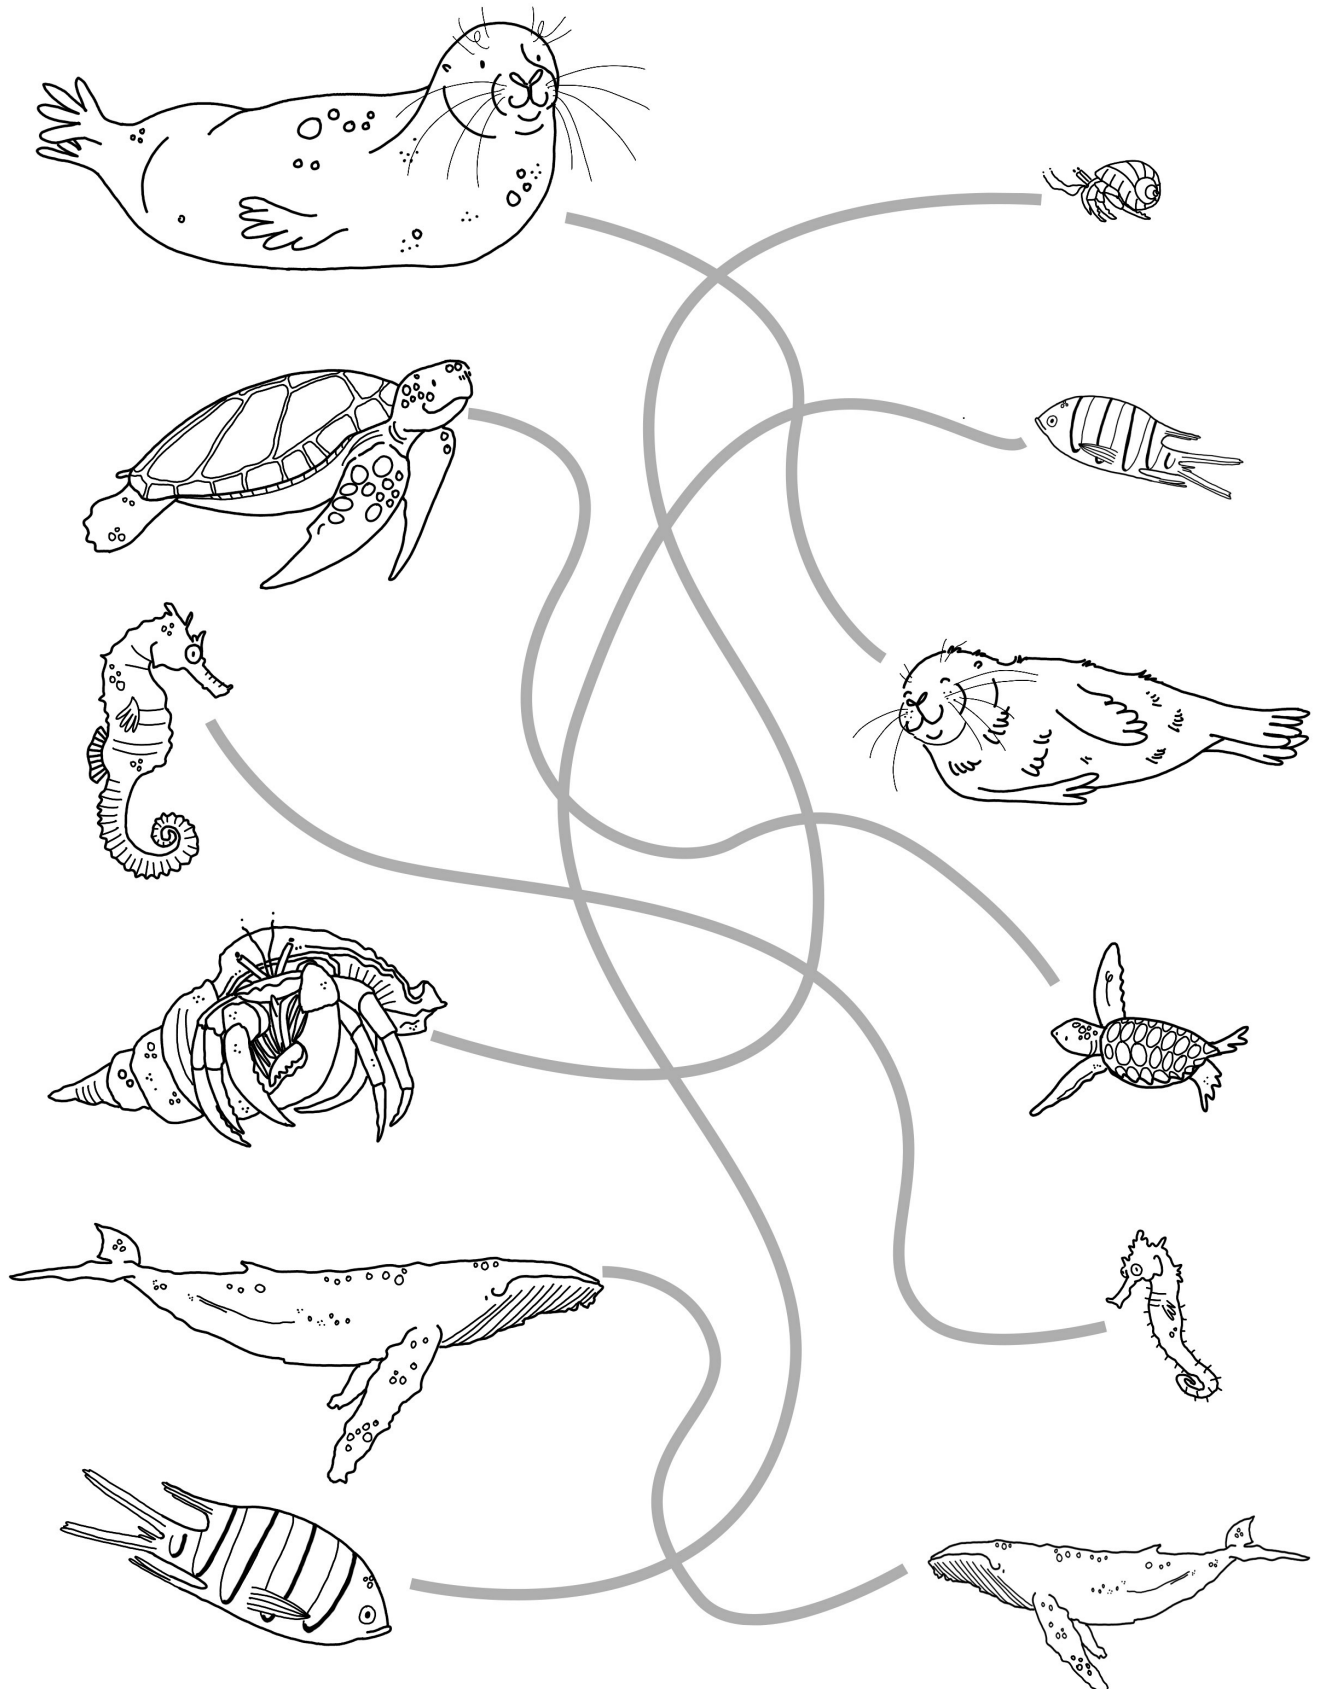

Lesson 2

Draw lines to connect each animal to its shadow. Color the animals.

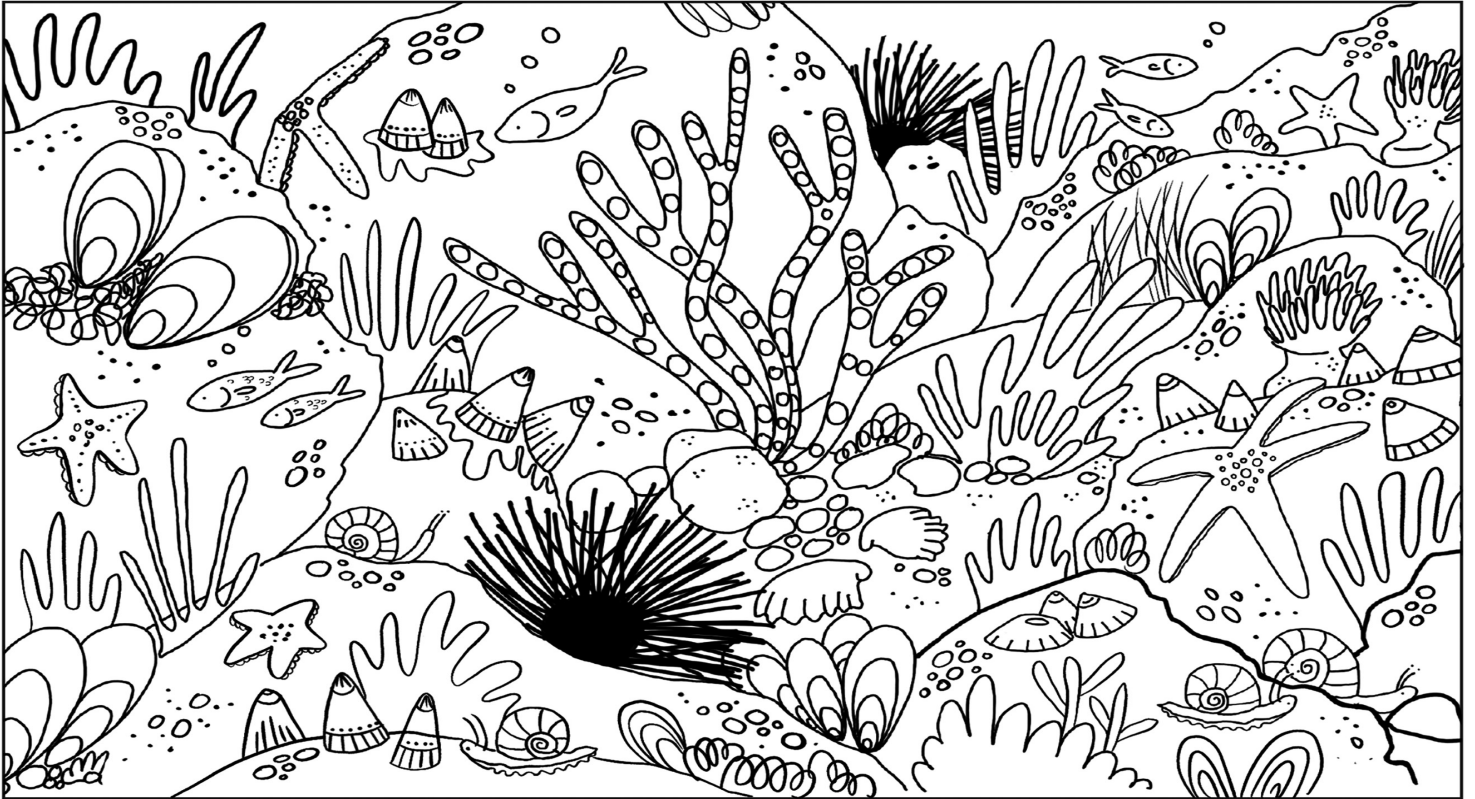

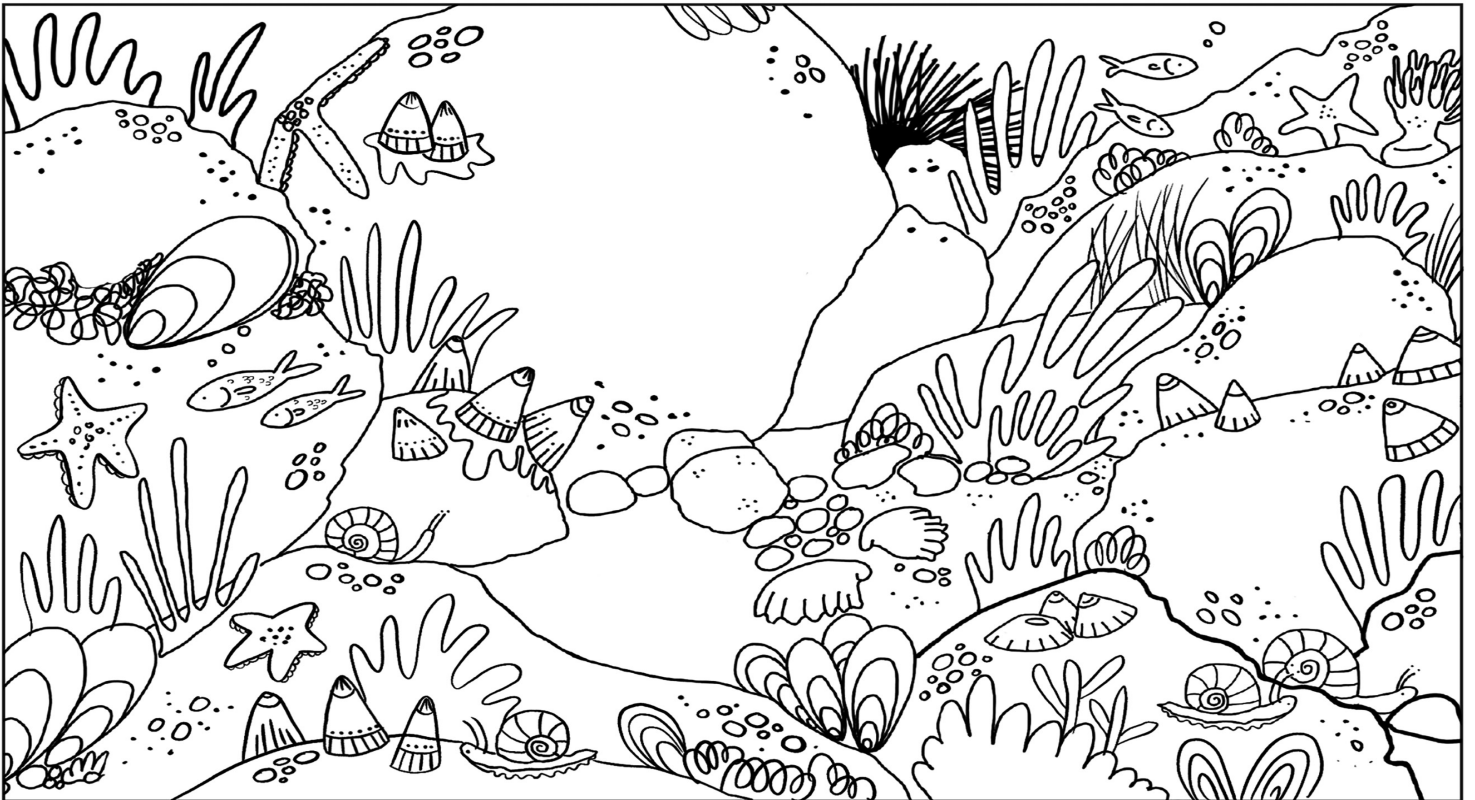

Trace each line from the adult ocean creature to its baby. Color the adult and baby creatures.

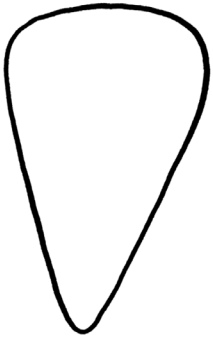

Lesson 3

Circle the six items in the top picture that you do not see in the bottom picture. Color the top picture.

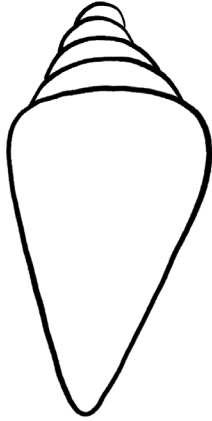

Draw a seashell in the box at the bottom of the page by copying the four steps below. Color your seashell.

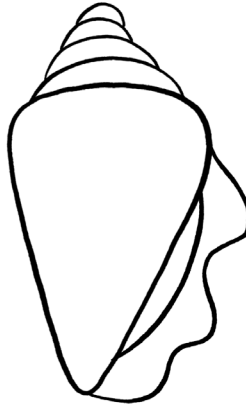

1

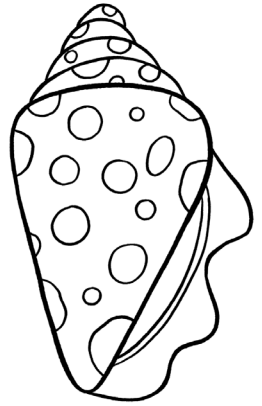

2

3

4

A large empty rectangular box for drawing a seashell.
